QUARTERLY ACTIVITIES REPORT September 2025

Discovery Alaska Limited (ASX: DAF) ("the Company") is an Australian based mineral exploration company with a 100% interest in the Chulitna Project in Alaska, USA.

The Company provides the following update for the Quarter;

Exploration Activities

New Project Opportunities

During the Quarter, the Company reviewed various mineral project opportunities and conducted due diligence over projects that may complement the Company's current exploration activities. The Company is targeting selective projects that best-fit the Company's strategy. Following completion of any successful project due diligence exercise and determined strategy, the Company will consider any such opportunities and progress as required.

The Company identified the following potential projects, which are at various stages of evaluation:

- a) Gold project in Montana, USA - the Company conducted relevant due diligence and evaluation works on a gold project during July and August 2025. These works resulted in the Company making an offer to acquire an interest in the project on 3 September 2025, however, following further negotiation, the Company's offer was not accepted by the vendor;
- b) Gold project in Idaho, USA - the Company conducted relevant due diligence and evaluation works during August and September 2025. These works have resulted in the Company proposing an offer on 23 September 2025 to acquire an interest in the project, however, following further discussion, the vendor decided not to divest the project;
- c) The Company has also conducted relevant due diligence and evaluation works to review the following projects, and is currently in ongoing discussions with the vendors on:
 - i. Gold project in Idaho, USA - this project is adjacent to the gold project noted above and is a strategic consideration for the Company, with an offer proposal presented to the vendor. The Company has conducted relevant evaluation works during July and August 2025;
 - ii. Gold project in Nevada, USA - preliminary evaluation works on this project have been conducted, with additional review works required prior to

- considering whether a suitable offer proposal can be presented to the vendors, to ensure alignment with their requirements; and
- iii. Rare Earth Element (REE) project in Arizona - the Company has identified REE projects as strategic opportunities, with evaluation works on this project being conducted. The Company proposed an offer to the vendor.

The Company's current strategy is to acquire a new project or asset acquisition opportunity, to enhance its project portfolio with an aim to increase the overall value proposition of the Company and ensure it is best placed to deliver value and upside potential for all its shareholders.

Chulitna Gold Project (Alaska, USA) (100% interest)

The Chulitna Project is located on State of Alaska public lands, and is not subject to any Native Title claims, native lands, or native claimant groups. The project lies approximately 250km north of Anchorage and close to the major Parks Highway, which runs mostly parallel to the State-owned Alaska railroad. The project area comprises 15.5km² (24 claims) centred on the Partin Creek gold prospect. The Company is progressing its reviewing its strategy for the project.
